Workflow Coverage

Onboarding candidate pipeline, candidate detail, offer flow, probation tracker.

Performance review list, review detail, goal creation, submission, approval, export.

Exit cases, employee self-service, manager queue, HR pending approvals, case detail.

Production Hardening Applied

Added employee-safe Performance endpoint and frontend path: `/performance/my-reviews`.

Scoped manager Performance list to manager-owned reviews.

Implemented Performance CSV export.

Added employee-safe Exit endpoint and self-service resignation view: `/exit/my-case`.

Fixed Onboarding and Exit department/designation display compatibility with current `name` fields.
